Iâ€™ll find my way beyond the fiery desert
Iâ€™ll swim across the vastness of the sea
Iâ€™ll climb to reach the dangers of the mountains
Iâ€™ll follow you to where you wanna be

No creatureâ€™s hand will lay upon your shoulder
No ghost will bring you terrors from the past
No witchâ€™s curse will keep me from believing
In the truth that our love is meant to last

I will face the trials that come my way
And fight the forces evil kings have made
Itâ€™s enchantment that I need to live forever
In a kingdom full of love that never fades
Itâ€™s the magic of our love that never fades

Iâ€™ll find my way beyond the fiery desert
Iâ€™ll swim across the vastness of the sea
Iâ€™ll climb to reach the dangers of the mountains
Iâ€™ll follow you to where you wanna be

No creatureâ€™s hand will lay upon your shoulder
No ghost will bring you terrors from the past
No witchâ€™s curse will keep me from believing
In the truth that our love is meant to last

I will face the trials that come my way
And fight the forces evil kings have made
Itâ€™s enchantment that I need to live forever
In a kingdom full of love that never fades
Itâ€™s the magic of a love that never fades

My cries will echo through the shadows
Speaking of my love till the whole world know

I will face the trials that come my way
And fight the forces evil kings have made
Itâ€™s enchantment that I need to live forever
In a kingdom full of love that never fades
Itâ€™s the magic of a love that never fades

The magic of our love will never fade
