Uh uh  
Ooh  
Huh

The very first time I laid eyes on you  
There's no day that I don't think of you  
Never thought that I will be true  
Till this feeling that I never knew

## REFRAIN

Can't imagine I've got mess in this crazy  
I can't believe myself how you knock to this fantasy

## CHORUS

You gave life to my dreams  
Made this world real, you made me fly  
Tell me why, tell me how you made this heart beat for  
you  
Only you made my world brand new

You brought smile to my face  
Colored my days, you are the one  
You are the sun, the moon, the stars  
It's you that I feel  
You're the girl of my dreams

The very first time you smiled back at me  
There's no way that this not's for me  
You were all I wished and adored  
It's the sunshine that's knockin' at my door

[Repeat REFRAIN]

[Repeat CHORUS]

## BRIDGE

(You're the sunshine) Shine so bright  
You listen to my face  
(You're the sunshine) Please be mine  
I'll give you my love  
(I'll give you my love)

[Repeat CHORUS]

Hah
