Iâ€™m sittinâ€™ here all alone, and I am thinking,â€™  
startinâ€™ out in the rain I felt, it pourin on the window  
pane

I saw your face and I look, and wait to see if youâ€™re  
lookin back at me, I swear it hit me like I want to be, like  
I want to be with you, girl

Iâ€™ve been running and running around, been looking  
for you but thereâ€™s no one around  
I tried so hard to find you, youâ€™ve been blowing my  
mind, coz I want you, girl

I returned to the place, where I saw you, sittinâ€™ out in  
the rain, Iâ€™m wet, I felt it rollin down my face

I felt the pain that I took, coz Iâ€™m wanting you bad,  
girl, if you only knew  
I wish I know just what to do, you know Iâ€™m dying just  
to have you

[Bridge:]

Iâ€™ve been longing, Iâ€™ve been longing for a girl like  
you, I want to find you, I want to love you  
I really want to be with you
