I'm not the one; I'm not the one
Now I know, now I know
You're the one for me

I'm the one who left to just to be free
Now I know you were the only one for me
I'm alone since I wanted to change my ways
Now I know, that was my biggest mistake

I miss all your phone calls and all your sweet words
Only photos bitter feelings and memories
There's no sunshine and no rainbow in my soul
If I catch you I won't leave you anymore

Woah, Save my heart with your love,
And stand by me, like before I can't go on
All alone without your love
Woah, Save my heart, with your love and make me feel
Like before I can't go on, I want your love back again
Your love again

I'm not the one; I'm not the one
Now I know, now I know you're the one for me.

You will find all my fears in wind and rain,
Tell me how I could relieve all my pain
If you don't, let me tell you what I feel, what I feel
Without you it is useless to be free

I miss all your phone calls and all your sweet words
Only photos bitter feelings and memories
Yeah, yeah
There's no sunshine and no rainbow in my soul
If I catch you, I won't leave you, anymore.

Save my heart with your love and stand by me,
Like before I can't go on, all alone without your love,
Repeat
I'm not the one; I'm not the one
Now I know, now I know you're the one for me
