Did I forget about the simple rule of life?
You pay a price for all your choices
Well I've learned my lesson looking from the other side

Thought that I was through
Don't know who's fooling who cause

She's so unforgettable
She's so unerasable
It kills me slowly not to be around her
She's so unforgivable
And if I never understood
It hits me now
She's so damn good

I talk myself into that bullshit all the time
At least it made me so much wiser?
And tell myself I really got her off my mind

Did I say that I was through?
Don't know who's fooling who cause

She's so unforgettable
She's so unerasable
It kills me slowly not to be around her
She's so unforgivable
And if I never understood
It hits me now
She's so damn good

Wish what I feel
Could be for real
Not just a one way cry
That don't seem to fly

She's so unforgettable
She's so unerasable
It kills me slowly not to be around her
She's so unforgivable
And if I never understood

She's so unforgettable
She's so unerasable
It kills me slowly not to be around her
She's so unforgivable
And if I never understood
It hits me now
She's so damn good
