"So Real"

You are the one in my life
And I know it's you
And all that I own and I have will give to you
Oh all the love in this world
This I offer you
My love, my heart and my soul
I'm giving it all

I'm giving it all when I'm with you
Living a life that's all brand new
Oh nothing has ever made me feel so right
Alright

All of the things I do
I do 'em all for you
In love I will stay and remain

That's what I would do
For you are the love of my life
And I promise you
My love, my heart and my soul
I'm giving it all

[Bridge:]
Life is all that I could spare
This I want to share with you
To prove my love for you
Oh oh love
Believe in me
Forever I will cherish you
