Let me know, oh my God
What I am supposed to do
I hope you don't mind
My asking you
I beg you to heal me
My body and my soul
You are my hope
My everything my all

What will I do my Lord
Help me to see
What heart to thee
Let me follow the plan
Your divine plan for me
What will I do my lord
Help me to see

Let me know, oh my God
What am I supposed to do
Just show me the way
I'll follow you
I now I ask you to help me
Take away all my fears
Come to my heart
Please take away my tears
