Whoa, dado, dado, whoa
Dado, dado, whoa
Oooooo, dado, dado, ooooo

Will I get the chance dado, dado, oooo
To say I love you dado, dado, oooo
Will I get the chance dado, dado, oooo
To see tomorrow whoa, whoa
Will I get the chance oooo, oooo
To say how I truly feel

[Chorus:]

I don't know how dado, dado, oooo
To say what is on my mind dado, dado, oooo
Never will I now that I am gone oooo, oooo
The time has taken our love away forever
Forever now I will never get the chance to say I love you
oooo, oooo

I remember whoa, whoa
The times that made us laugh
The times that we spend
Now all I have
Is just those memories
Of what we did

[Chorus:]

I don't know how dado, dado, oooo
To say what is on my mind dado, dado, oooo
Never will I now that I am gone oooo, oooo
The time has taken our love away forever
Forever now I will never get the chance to say I love you
oooo, oooo

[Bridge:]

Should have said the things
When I had the chance
Never had I meant to hurt you
I tried my hardest to say
Baby I love you

Never, never, never, never, never, never will I get the
chance
Now that I am gone
The time has taken our love away
I just didn't know how to say
What was on my mind
I wish that I told you how I felt
I will remember those times that we had
Now there just memories of us
I will always remember the night we meet
Didn't want to say goodbye
Didn't mean for our friendship to die
Never, never, never, never, never, never, never, never,
never
Had I
Just want one more chance to say I love you
oooooooooooooooooooo

Dado, dado, ooooo, dado, dado, dado,
oooooooooooooooooooo
