Myspace is a place for friends  
How many friends tou got I guess it just depends  
I be getting messages from left to right  
I also get comments cause my page is tight

I got the Young Joc music video what do ya knows  
I know some of my friends but some are just hoes  
I may know how to rap but I aint got a girl  
Check out my page my picture is a squirrel  
When I get messages I go ahead and reply  
My user name is Whiteboy for your FYI

Myspace is a place for friends  
How many friends tou got I guess it just depends

I be getting messages from left to right  
I also get comments cause my page is tight

My background is Famestar  
It's white and black like a cop car  
My cursor is the raider sign  
The girls I talk to are all so fine  
I be talking to these girls just tryin to reach 1st base  
Guess where I'm at it's a place called Myspace

Myspace is a place for friends  
How many friends tou got I guess it just depends  
I be getting messages from left to right  
I also get comments cause my page is tight
