Lying in my bed I hear the clock tick and I think of you
Caught up in circles, confusion is nothing new
Flashback to warm nights almost left behind
A suitcase of memories time after

Sometimes you picture me I'm walking too far ahead
You're calling to me I can't hear what you said
And you would say go slow I fall behind
The second hand unwinds

If you're lost you can look and you will find me time
after time
If you fall I will catch you I'll be waiting time after time
If you fall I will catch you I'll be waiting time after time
If you fall I will catch you I'll be waiting time after time

After my picture fades and darkness has turned to
gray
Watching through windows you're wondering if I'm
okay
Secrets stolen from deep inside
The drum beats out of time

If you're lost you can look and you will find me time
after time
If you fall I will catch you I'll be waiting time after time
If you fall I will catch you I will be waiting time after time
Time after time, ooh time after time, time after time
