She's a devil in disguise you can see it in her eyes  
She's telling dirty lies she's a devil in disguise in  
disguise  
Now a woman like that all she does is hate you  
She doesn't know what makes a man a man  
She'll talk about the times that she's been with you  
She'll speak your name to everyone she can  
She's a devil in disguise you can see it in her eyes  
She's telling dirty lies she's a devil in disguise in  
disguise

Unhappiness has been her close companion  
Her world is full of jealousy and doubt  
It gets her off to see a person crying  
She's just the kind that you can do without  
She's a devil in disguise you can see it in her eyes  
She's telling dirty lies she's a devil in disguise in  
disguise

Her number always turns up in your pocket  
Whenever you are looking for a dime  
It's all right to call her but I'll bet you  
The moon is full and you're just wasting time  
She's a devil in disguise you can see it in her eyes  
She's telling dirty lies she's a devil in disguise in  
disguise
