Half of my mistakes, I made stone cold sober
Half of my mistakes, I made at closing time
Half the time I never saw it coming till it was over
Half of my mistakes I made with love on the line

Half of my mistakes, I swear I should've known better
Half of my mistakes were made just among friends
You get a little distance on it, the truth gets clearer
Half of my mistakes, hell I'd probably be making again

And if I had it all to do over
I'd probably win and lose just as much
I'd spend a lot less time on right and the wrong
And a whole lot more on love

Half of my mistakes, I made 'cause I was moving too
quickly
Half of them were made 'cause my heart moved too
slow
Nobody can tell you a damn thing if you ain't listening
Yeah, and half of my mistakes I made 'cause I couldn't
let go

And if I had it all to do over
I'd know I'd win and lose just as much
And I'd spend a lot less time on right and the wrong
And a whole lot more on love

And if I had it all to do over
I'd know I'd win and lose just as much
I'd spend a lot less time on right and the wrong
And a lot more time on love

Half of my mistakes, I'd give anything to change how it
ended
Half of my mistakes, God I wouldn't change a single
thing
You can lean too hard on regrets, but I don't
recommend it
'Cause half the good things in my life came from half
of my mistakes
Yes, I said half the good things in my life came from

half of my mistakes

Said, half of my mistakes, half of my mistakes, half of
my mistakes

Half of my mistakes, half of my mistakes, half of my
mistakes

Half of my mistakes, half of my mistakes, half of my
mistakes
