I'd give anything
If I could hold you
I'd give anything
If you were mine
I'd give anything
To have told you
Just how much I've loved you
All this time

All this time
Just to have you with me
Just to know that you care
I'd give anything
Just to have you there
When the last bell rings
Just to know that you love me
I'd give anything

Without your hand to hold
I can't find a reason
To come in from the rain
Or the cold
I've always been told
Seeing is believing
But I can't see a thing
Without your hand to hold

All this time
Just to have you with me
Just to know that you care, I'd give anything
Just to have you there
When the last bell rings
Just to know that you love me
I'd give anything

Just to have you there
When the last bell rings
Just to know that you love me, I'd give anything
