When I wake up this morning
Tell ya what I'm going to do
Going to pack my suitcases honey
Going to leave with you
Down to Austin
Yes I'm going down to see the town hang around down
in Austin
Yeah I'm going down to Austin going down to watch the
armadillos rootin
Armadillos rootin all around

Well now when I get down to Austin
I'm going to sit right down
Yeah I'm going to drink some of those lone star beers
honey
Going to hang around down in Austin
Yes I'm going down to see the town hang around down
in Austin
Yeah I'm going down to Austin going down to watch the
armadillos rootin
Armadillos rootin all around

Well when I get down to Austin
Tell ya where I'm going to go
Going down to the railways
I'm gonna watch the blue winds roll
Down to Austin
Yes I'm going down to see the town hang around down
in Austin
Yeah I'm going down to Austin going down to watch the
armadillos rootin'
Armadillos rootin' all around

When I'm going down to Austin
Tell ya what I'm going to do
Going to pack my suitcases honey
Going to leave with you
Down to Austin
Yes I'm going down to see the town hang around down
in Austin
Well I'm going down to Austin going down to watch the
armadillos rootin

Armadillos rootin all around
Well I'm going down to Austin going down to watch the
armadillos rootin
Armadillos rootin all around
Well I'm going down to Austin going down to watch the
armadillos rootin
Armadillos rootin all around
