When I think of heaven, deliver me in a black-winged  
bird

I think of flying down into a sea of pens and feathers  
And all other instruments of faith, sex and God  
In the belly of a black winged bird

Don't try to bleed me 'cause I've been here before and I  
deserve a little more

I belong in the service of a queen, I belong anywhere  
but in between

She's been lying, I've been thinking and I am the Rain  
King

I said, ?Mama, mama, mama, why am I so alone??  
Well I can't go outside, I'm scared I might not make it  
home

I'm alive, I'm alive, but I'm sinking in  
If there's anyone at home at your place, darlin', why  
don't you invite me in?

Don't try to bleed me 'cause I've been here before and I  
deserve a little more

I belong in the service of a queen, I belong anywhere  
but in between

She's been lying, I've been thinking and I I am the Rain  
King

Hey, I only want the same as anyone  
Henderson is waiting for the sun  
Oh, it seems night endlessly begins and ends  
After all the dreaming I come home again

When I think of heaven, deliver me in a black-winged  
bird

I think of dying, lay me down in a field of flame and  
heather

Render up my body into the burning heart of God  
In the belly of a black-winged bird

Don't try to bleed me 'cause I've been here before and I  
deserve a little more

I belong in the service of a queen, I belong anywhere

but in between  
She's been lying, and I've been thinking and I am the  
Rain King

I said that I am the Rain king  
I said, I, I, I, I, I, yeah, yeah, yeah, yeah, yeah  
Well I, I am the Rain King
