i want my own reputation  
i can't believe that i don't  
i can't stand this ugly situation  
i just want what i want

i want to be just like my daddy  
then i could drive anything  
i could take my own self fishin'  
oh what a joy that would bring

i want my own reputation  
i can't believe that i don't  
i can't stand this ugly situation  
i just want what i want  
i just want to be where everybody knows my name

i got to find a girl just like my mama  
then i won't never burn the toast  
when i find her i'll introduce her to my family  
we'll see who they 'ppreciate the most

i want my own reputation  
i can't believe that i don't  
i can't stand this ugly situation  
i just want what i want  
I just wanna be where everyone knows my name

i can't understand my little brother  
he don't like to see my magazines  
he always cries for mama when we wrestle  
he's been more like a sister to me

i want my own reputation  
i can't believe that i don't  
i can't stand this ugly situation  
i just want what i want

i don't like my own reputation  
if you ask i'm gonna tell you the same  
i got to change this bad situation  
i want to be where everybody knows my name
