Oh, wise one, if you knew the answer
Why'd you ask the question?
Oh, wise one if you're such a someone
Why do you give nothing to anyone?

You've wiggled your way into me time and again
You love to speak your mind
But now it's fair to say I'm not open today
To have my heart twisted up

Your blue suitcase is empty
Hey, what's your wait?
Your blue suitcase is empty
Hey, what's your wait?

Oh, wise man, how do you get high man?
You must be self-absorbing
Oh, wise man save me from your high man
I came for another of your stuck up drug

My confidence says I am worth it today
So try and change its mind
Kiss your sweet girl away, you've found your fate
Now you will know what lonely pays

Your blue suitcase is empty
Hey, what's your wait?
Your blue suitcase is empty
Hey, what's your wait?

Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na

Tell me how does it feel
To be so high above the clouds?
So tell me how does it feel
To be so high above the clouds?
And tell me how will it feel
When no one cares that you're not around?

Your blue suitcase is empty
Hey, what's your wait?
Oh, your blue suitcase is empty
Hey, what's your wait?

Your blue suitcase is empty
What's your wait?
Oh, your blue suitcase is empty
What's your wait?

Tell me how does it feel
Tell me how does it feel
