Ou know my secret,  
Somebody told you didn't they?  
I can tell by your voice.  
And in the way  
We are awkward,  
Mama, what did they say  
When they told you my secret  
Anyway?

The old heave-ho holds the old  
You don't know  
What to do, what to say.  
Didn't they?

You in your half-shirt and lies,  
Me with the half-lit eyes.  
What a pair,  
Who would ever suspect?  
And could I care for polite  
When, mama, I'm as frightened  
As a girl with a secret could be.
