You are a treasure
Right inside my heart
You're like a rainbow on a dark night,
Like a water comin' out from the sand.

You give me presents
With your presence alone
And when you go I tend to count the steps you take
Makes me feel like I lost home.

Oh oh

Chorus:
And I never wanna lose you 'cause I know I'll
Regret livin' up my life
Without you
Will you stay? eh eh eh eh
Hunie will you stay? eh eh eh eh

I'd rather be swimming
In your strange deep sea
Than to be up on a safe land
Not seeing you everyday

Oh oh

And I never wanna lose you 'cause I know I'll
Regret livin' up my life
Without you
Will you stay? eh eh eh eh
Hunie will you stay? eh eh eh eh
Eh eh eh eh... eh

You are a treasure
Right inside my heart.
