"Before I Met You"

I thought I had seen pretty girls in my time but that was
before I met you
I never saw one that I wanted for mine but that was
before I met you
I thought I was swinging the world by the tail I thought I
could never be blue
I thought I'd been kissed and I thought I'd been loved
but that was before I met you
[piano - steel]
I wanted to ramble and always be free but that was
before I met you
I said that no woman could ever hold me but that was
before I met you
I thought I was swinging...
[guitar]

I thought I was swinging...
Yes that was before I met you
