Oh, it's crying time again, you're gonna leave me  
I can see that faraway look in your eyes  
I can tell by the way you hold me, darling  
That it won't be long before it's crying time

Now they say that absence makes the heart grow  
fonder  
And tears are only rain to make love grow  
For my love for you could never grow no stronger  
If I live to be a hundred years old

Oh, it's crying time again, you're gonna leave me  
I can see that faraway look in your eyes

I can tell by the way you hold me, darling  
That it won't be long before it's crying time

Now you say that you found someone that you love  
better  
That's the way it's happened every time before  
And as sure as sun comes up tomorrow  
Crying time will start when you walk out the door

Oh, it's crying time again, you're gonna leave me  
I can see that faraway look in your eyes  
I can tell by the way you hold me, darling  
That it won't be long before it's crying time
