Oh Daisy Mae my honey oh Daisy Mae
When I'm with you my darling all my cares go away
Oh don't you know sweetheart that I love you so
Cause you're my darling precious Daisy Mae

So nice and neat with kisses so very sweet
In my opinion darling you just can't be beat
And now I found you no one else will ever do
I'm tryin' make you happy Daisy Mae
Oh Daisy Mae my honey...
[guitar]
You're everything you're every song that I sing

Your lovely little hand looks lovely with that ring
It won't be long until you'll hear our weddin' song
And you'll be mine all mine Daisy May
Oh Daisy Mae my honey...
