She never was much satisfied with me  
She's been a lot of time rebuilding me  
A hundred times I tried to warn her  
Don't back a man up in a corner

'Cause you can only push a man so far  
The ties of love will only stretch so far  
Then day will break and he's a goner  
Don't back a man up in a corner

'Cause he'll come out swinging every time  
If you'll walk up and down on his pride  
If you'll break down the door and he can't hide no more  
You just might find the tiger inside

It feels so good to feel the open air  
It felt so good to leave her standing there  
A hundred times I tried to warn her  
Don't back a man up in a corner

'Cause he'll come out swinging every time  
If you'll walk up and down on his pride  
If you'll break down the door and he can't hide no more  
You just might find the tiger inside

Don't back a man up in a corner
