Don't be angry at me, darling, if I fail to understand
All your little whims and wishes all the time
Just remember that I'm dumb, I guess like any foolish
man
And my head stays sorta foggy 'cause you're mine

Well, I recall the first time that I flirted with you, dear
When I jokingly said, "Come and be my bride"
Now that time has turned the pages, it's the sweetest
joke on earth
That I have you here forever by my side
Maybe someday you're gonna hurt me, well, I've been
hurting of before
Only God can know and time alone will tell
But in the mean time I'll keep loving you with all my
heart and soul
And pray God to let it last if it's his will

Don't be angry at me, darling, if I fail to understand
All your little whims and wishes all the time
Just remember that I'm dumb, I guess like any foolish
man
And my head stays sorta foggy 'cause you're mine
