"Each Night At Nine"

A thousand miles dear a thousand more across the
water across the shore
I'll say a prayer dear for your and mine please think of
me dear each night at nine

I hold your picture close to my heart it takes your place
dear while we're apart
Helps remind me that you're still mine to feel your
nearness each night at nine
[guitar + steel]
The bugle's playing out goes the light gee but it's
lonely these army nights
Please tell kiddies I'm doing fine give them my love
dear each night at nine

A thousand miles dear a thousand more...
