If there's a chance that your heart misses the words I
try to say with kisses
If I don't seem to look as happy as I should
I wouldn't want to live without you I love everything
about you
Yes even the bad times are good
Your middle name should be perfection for that's what
you are to me
Even in my darkest moments you made it easier to see
I wouldn't change one thing about you if I knew that I
could
Yes even the bad times are good
[steel]
You never let me feel mistreated your love is all I've
ever needed
When I was weak somehow you always understood

You're not afraid of stormy weather that's what keeps
our love together
Yes even the bad times are good
Your middle name should be perfection...
