Here she comes look at her roll there she goes eatin'
that coal
Watch her fly huggin' the rails let her by by by it's the
fireball mail
Let her go look at her steam hear her blow whistle and
scream
Like a hound a waggin' his tail Dallas bound bound
boud it's the fireball mail
[guitar]
Engineer makin' up time tracks are clear look at her
climb
See that freight clearin' the rail bet she's late late late
it's the fireball mail
Watch her swerve look at her sway get that curve out of
the way
Watch her fly look at her sail let her by by by that's the
fireball mail
[steel]

Now lere she comes look at her roll there she goes
eatin' that coal
Watch her fly huggin' the rails let her by by by the
fireball mail
Let her by by by the fireball mail
