Far across the deep blue water lives an old German's  
daughter

By the banks of the old River Rhine  
Where I loved her and left her but I can't forget her  
I miss my pretty Fraulein

Fraulein, Fraulein look up towards the Heaven  
Each night when the stars start to shine  
By the same stars above you I swear that I love you

You are my pretty Fraulein

When the memories wander away over yonder  
To the sweetheart that I left behind  
In a moment of glory a face comes before me  
The face of my pretty Fraulein

Fraulein, Fraulein walk down by the river pretend  
That your hand's holding mine  
By the same stars above you I swear that I love you  
You are my pretty Fraulein
