You bring me sunshine beautiful sunshine I'm living in
sunshine when I'm with you
Oh how I've missed you since you've been gone lonely
nights and dark clouds all day long
Standin' by my window watchin' it rain when I pop the
rainbow and in you came
You bring me sunshine beautiful sunshine I'm living in
sunshine when I'm with you
You bring me sunshine beautiful sunshine I'm living in
sunshine when I'm with you
[steel]
I get so lonely while you are gone and while I'm waiting
it seems so long
You take my sunshine away with you but when you
come back my skies turn blue
You bring me sunshine beautiful sunshine I'm living in
sunshine when I'm with you

I'm living in sunshine when I'm with you
