Don't ever kiss no one but me
If you do, dear, you'll break my heart
It's not because I doubt you
But I'm such a fool about you
I've got a jealous loving heart

Now where there's love, there's jealousy
Good and bad just won't tear apart
They always go together
Like fair and stormy weather
I've got a jealous loving heart

You're all I want, you're all I need
Please don't tear my soul apart
Just say you love me too, dear
Then be careful what you do, dear
I've got a jealous loving heart

Don't ever kiss no one but me
If you do, dear, you'll break my heart
It's not because I doubt you
But I'm such a fool about you
I've got a jealous loving heart
