"Journey's End"

Each night brings back my dreams of you I cry and cry I
feel so blue
You broke my heart so why I pretend the sign ahead
reads journey's end
River's rolling along skies are turning gray clouds are
moving in I've lost my way
I tried to smile but why I pretend the sign ahead reads
journey's end
[guitar]
Sitting all alone beneath the stars I'm wondering where
on earth you are
Thinking of the things that might have been but the
sign ahead reads journey's end
River's rolling along...
