Why must I love the heartless one  
Who'll never know the harm she's done  
Though love is blind, I should have known  
Just call me lonesome from now on

I climb the stairs up to my room  
But no one meets me in my gloom  
The silence tells me she is gone  
Just call me lonesome from now on  
These walls will hide me when I cry  
And hope that heaven lets me die  
What good is life when hope is gone  
Just call me lonesome from now on

I pray my memories at last will fade  
Into the distant past  
If I must live and love alone  
Just call me lonesome from now on
