My heart will break as I watch you go but your kind of  
love is hard to hold  
It seems you and I are losing touch so I'll wish you love  
and honey lots of luck  
Well lots of luck and a big goodbye and you can't say I  
didn't try  
It well could be that I tried too much  
And that's why you're leaving but honey lots of luck  
[ guitar ]  
Now you want love and a big gold mine well that  
combination is hard to find  
Cause money don't always walk with luck but you can  
go looking and honey lots of luck  
Well lots of luck and a big goodbye...

Well honey lots of luck  
Go on and leave now and baby lots of luck
