I can tell you're from the south but it picks out on your mouth

Mississippi gal I love you

And when I hear you call come on and hear you all

Mississippi gal I love you

Now a picture of cottage built for two way down south where dreams come true

Vanish in that southern style drives me crazy all the while

Now I walk a million miles for a great big southern smile Mississippi gal I love you

[guitar - fiddle]

Now remember some fine day I've been headin' back your way

Mississippi gal I love you

And when I hear you call come on and hear you all

Mississippi gal I love you

Now if you'd make up your mind today I'd give my life and that ain't hay

I'm so tired of roamin' round with a gal like you I'd settle down

I'd walk a million miles for a great big southern smile

Mississippi gal I love you
