When will my arms grow cold when will your kiss grow
old
When will I want to be free exactly one minute past
eternity
When will I make you blue she done run around on you
Throw away the love you've given me exactly one
minute past eternity
Eternity's for ever so darling have no fear
My love for you will last and last a million million years
When will I say goodbye break your heart and make
you cry
Tell you to forget about me exactly one minute past
eternity
[fiddle]

Eternity's for ever...
Exactly one minute past eternity
