Seems I always have to slip around
To be with you, my dear
Slippin' around
Afraid we might be found

I know I can't forget you
And I've got to have you near
But we just have to slip around
And live in constant fear

Though you're tied up with someone else
And I'm all tied up too
I know I've made mistakes, dear
But I'm so in love with you

I hope some day I'll find the way
To bring you back with me
Then I won't have to slip around
To have your company

[Incomprehensible]

Though you're tied up with someone else
And I'm all tied up too
I know I've made mistakes, dear
But I'm so in love with you

I hope some day I'll find the way
To bring you back with me
Then I won't have to slip around
To have your company
