When we dance together my world's in disguise  
It's a fairyland tale that come true  
And when you look at me with those stars in your eyes  
I could waltz across Texas with you

Waltz across Texas with you in my arms  
Waltz across Texas with you  
Like a storybook ending I'm lost in your charms  
And I could waltz across Texas with you

My heartaches and troubles are just up and gone  
The moment that you come in view  
And with your hand in mine dear  
I could dance on and on

Waltz across Texas with you in my arms  
Waltz across Texas with you  
Like a storybook ending I'm lost in your charms  
And I could waltz across Texas with you
