With tears in my eyes dear I beg you to stay
You wouldn't believe me so you went away
I made a mistake dear by telling you lies now I lay
awake dear with tears in my eyes

No more to be sweethearts no more to be friends
Just give me a chance dear and I'll make commands
My yesterdays haunt me my weary heart cries
I just can't go on dear with tears in my eyes
[ac.guitar]
If you ever need me oh please let me know wherever
you leave me I'm willing to go

But past is a flower that withers and dies I'll wake up
tomorrow with tears in my eyes
With tears in my eyes dear...
