Tell me, does he love me
With all his heart
Should I worry
When we're apart

That's a lover's question
I'd like to know
I gotta know, yeah
You know I wanna know

Does he need me
As he pretends
Is this a game
Tell me, will I win

That's a lover's question
I'd like to know
I gotta know, yeah
I wanna know

I'd like to know
When he's not with me
Is he still true to me, yeah

I ask myself when we're kissing
Does he feel just what I feel
And how am I to know
It's really real

Tell me where
The answer lies
Is it in his kiss
Is it in his sigh

That's a lover's question
Well, I'd to know
I gotta know
You know I wanna know

Yeah, I'd like to know

I gotta know
You know I wanna know

I'd like to know...
