I don't feel like it is start
My blood pumping from the heart
Control slipping in the night
Moving in the light

Nighttime crushing to the floor
My eyes searching for the door
Bright lights splashing in the night
Stay out of sight

As the shadows rolling in
As the shadows rolling in
As the shadows rolling in
I watch the night begin

As the shadows rolling in
As the shadows rolling in
As the shadows rolling in
I watch the night begin

I don't feel like it is the end
My eyes turning to my friends
Weakness building in the night
Shaking in the light

Daylight crushing through the door
My feet moving cross the floor
White eyes closing in the night
Stay out of sight

As the shadows rolling in
As the shadows rolling in
As the shadows rolling in
I watch the night begin

As the shadows rolling in

As the shadows rolling in
As the shadows
As the shadows rolling in
As the shadows
As the shadows rolling in

As the shadows
As the shadows rolling in
As the shadows
As the shadows rolling in
As the shadows
As the shadows rolling in
As the shadows
As the shadows rolling in
As the shadows

As the shadows rolling in
As the shadows rolling in
As the shadows rolling in
I watch the night begin

As the shadows rolling in
As the shadows rolling in
As the shadows rolling in
I watch the night begin

As the shadows rolling in
As the shadows rolling in

As the shadows rolling in
As the shadows rolling in
As the shadows rolling in
As the shadows
As the shadows rolling in
As the shadows
