"And So It Goes"

In every heart there is a room
A sanctuary safe and strong
To heal the wounds from lovers past
Until a new one come along

I spoke to you in cautious tones
You answered me with no pretense
And still I feel Iâ€™ve said too much
My silence is my self defense

And every time Iâ€™ve held the rose
It seems Iâ€™d only felt the thorns
And so it goes, and so it goes
And so will you soon I suppose

But if my silence made you leave
Well that would be my worst mistake
So I will share this room with you
You can have this heart to rake

This is why my eyes are closed
Itâ€™s just as well for all Iâ€™ve seen
And so it goes, and so it goes
And youâ€™re the only one who knows

So I will choose to be with you
As if the choice were mine to make
You can make decisions to
And you can have this hear to rake

And so it goes, and so it goes
And youâ€™re the only one
Who knows
