You're gone  
Like a bird that flew away  
Like a box of letters on a windy day  
You're gone  
I'll see you again  
But it's not for me to know how or when

Tell me why, why, why, why, why do I do this when I  
know  
I'll just have to let you go  
I think it's time, time, time, time that I make it on my  
own  
I'm just scared to be alone  
I'm so afraid to be alone

With you gone  
Your memory never left  
I can feel that kiss upon my forehead  
With you gone  
It's just not fair  
Holding on to something that's not there

Tell me why, why, why, why, why do I do this when I  
know  
I'll just have to let you go  
Do you think it's time, time, time, time that I make it on  
my own  
I'm just scared to be alone  
I'm so afraid to be alone

With you gone  
Your memory never left  
I can feel that kiss upon my forehead  
With you gone  
It's just not fair  
Holding on to something that's not there

Holding on to something that's not there  
I'm holding on to something that's not there
