A little more patience,
A little more time,
A little romance might have saved us that night.
A little attention,
A little loving style,
I never imagined watching you wandering out of my
life,
We both know it's not right.

Watching, waiting, hoping,
Praying for love,
To come back into this life.

Here I am wondering what does it take,
What can I do to get your heart to unbreak?
I told you I loved you,
I promised to I'd change,
I said I was a broken man now would you believe what I
say,
Would it all be too late?

Watching, waiting, hoping,
Praying for love,
To come back into this life, into this life.

No, I'm ready for love,
Come back into my life.
I said I'm ready for love,
Come back into my life.
Oh I'm watching,
Oh I'm waiting,
Oh listen, anticipating your love.
Come back into my life.
Come back into my life.

You know I'm ready, ready for love,
To come into this life.
You know I'm ready, ready for love,
To come into this life.
So people take you for granted softly as you crept in
their heart.

Not me though, just dont leave me stranded here with
no one in my arms.

I'm ready for love,
I'm ready for love,
I'm ready for love,
I'm ready for love,
Don't even get in my way.
