Slowly I'm driving Sunset and Harlem
thinking out loud
All of the dive bars wanna be jive stars
that ain't my crowd
You know I saw an angel at a pink sidewalk table
She had that look in her eye
I want more than just one night

Maybe I'll be giving up in Love in LA
Nobody came my way and I'd have to say
I'm giving up on love in this town
Nobody cooled around
I wish I could say I found
Love in LA

Woke up this morning flipped through the want ad
something I've read
desperately seeking someone for keeping me
up late in bed
Remember how Charlie Brown chased that red headed
girl around?
Now I know just how he feels
I can't find me something real

Maybe I'll be giving up in Love in LA
Nobody came my way and I'd have a say
giving up on love in this town
Nobody cooled around
Wish I could say I found
Love in LA

It's a another bright and beautiful day
Always beautiful in LA
Everyone who comes here
just wants to say

As for me I'm giving up in Love in LA
Nobody came my way
then I'd have a say
I'm giving up on love in this town
Nobody cooled around I wish I could say I found

Love in LA
Love in LA
No Love, no love in LA
No love, no love in LA
no love, no love in LA
Everybody wants to be in love
everybody wants to be in love
