There's a certain girl I've been in love with a long, long
time
What's her name?
I can't tell you
Ahh...
I can't reveal her name until she's mine
What's her name?
I can't tell you
Ahh...
I've tried to make her time and time again
Still we're introduced as nothing but friends
There's a certain girl I've been in love with a long, long
time
What's her name?
I can't tell you
Ahh...
There's a certain chick I've been sweet on since I met
her
What's her name?
I can't tell you
Ahh...
I can't reveal her name until I get her
What's her name?
I can't tell you
Ahh...
Someday I'm going to wake up and say
I'll do anything just to be your slave
There's a certain girl I've been in love with a long, long
time
What's her name?
I can't tell you
Ahh...
There's a certain girl I've been in love with a long, long
time
What's her name?
I can't tell you
Ahh...
I can't reveal her name until she's mine
What's her name?
I can't tell you
Ahh...
I've tried to make her time and time again

Still we're introduced as nothing but friends
There's a certain girl I've been in love with a long, long
time
What's her name?
I can't tell you
Ahh...
