"Bonfires"

I was given wine
We feeling okay ?
And we're quite all right
You wash my tears away
And make me wanna stay
If bonfires lit up the shores

What far ,far way
To go beside you
Is where I want to be
What far,far way
To laugh, to love
To la la la la la

Days are roses and wine
Drifting astray
Wear your hand in mine
You stroke my fears away
And make me wanna stay
If bonfires lit up the shores

What far ,far way
To go beside you
Is where I want to be

What far ,far way
To laugh, to love

What far ,far way
Where to go and hide it?
We're going to the sea
What far, far way
To laugh, to love
To la la la la la

This is how it went;
I am here to stay
Roaring with the wind
There's life within

This is what I give
A circle is complete

Another circle spins
There's life within
Within
