Oh, what a world, I'm lost in your arms,  
I can't feel free.

Oh, what a world, we're not who we were,  
If I can't feel free.

Eyes fixed on the door slipping from sight,  
I can't quite grasp what you're saying.  
The door slams in my face, I've lost control,  
Yet I feel as light as a feather.

I can't live without you.  
I can't live without you...

Oh, what a world, I'm lost in your arms,  
I can't feel free.  
Oh, what a world, we're not who we were,  
If I can't feel free.

Dark shades fall on you, circle around,  
Leaving your face divided in two.  
Thoughts of leaving you, you're pulling me closer,  
I get so restless without you.

I can't live without you,  
I can't live without you,  
I can't live without you,  
I can't live without you...

Oh, what a world, I'm lost in your arms,  
I can't feel free.  
Oh, what a world, we're not who we were,  
If I can't feel free...
