Ahora no, yo no me quiero defender
Dentro de mi cualquier error superarÃ©
Y mis momentos mÃ¡s difÃ­ciles por ti

There is no reason, there's no rhyme, it's crystal clear
I hear your voice and all the darkness disappears
Every time I look into your eyes you make me love you

Este invierno acabarÃ©
I do truly love you
Libre yo serÃ©
How you make me love you

Volveremos a empezar
I do truly love you
I belong to you
You belong to me forever

Want you, baby, I want you
And I thought that you should know that I believe
You're the wind that's underneath my wings
I belong to you, you belong to me

Mi mente ha ido por senderos rÃ¡pidos
You are my fantasy
Por sentimientos y desiertos Ã­ridos
You are my gentle breeze

Con la pasiÃ³n que me regalas ahora vivirÃ©
And I'll never let you go
En aras tu de amor irÃ©
You're the piece that makes me whole

Tus olas yo cabalgarÃ©
I can feel you in my soul
Tu sal yo la saborearÃ©
Por ti vencerÃ© todo el miedo que yo siento

Cuanto me quemam dentro
Las palabras que yo no lleguÃ© a decir

Want you, baby, I want you

And I thought that you should know that I believe
Luz en el silencio tu y yo
I belong to you, you belong to me

You're the wind that's underneath my wings
I belong to you, you belong to me
Ahora yo te siento I will belong forever to you
