Old mother habit, my cupboard is bear,
And my last few cheques are bouncing everywhere.
No scraps for the cat, no bone for the dog,
And I'm loosing all my friends, because my phone's cut
off !
The bailiff keeps knockin' on my front door
He's taken everything, but he still wants more
I fed all I can take, if the world against me,
So how do I make a bankrobbery?

Black thick stockings, and I can't see a sausage;
To the bank with a water-pistol in my pocket,
And the water leaks out, I'm wet and soggy,
Knees are knocking and it's hot in the stocking
I say "Hands up! Please! Everybody just freeze
All hit the deck with your hands behind the neck!"
Then a granny turns around and says "Sonny Jim,
You'd see there was a queue,
If you'd remove that thing!"

After hours of waiting I was standing at the desk
When the kids said "Mummy, that black man sweat
himself!"
I said "Look up there, there's a camera watching me,
I'm a little bit of nervous, it's my first time on TV"
I said "I'm nasty and ambitious and my hand's on the
trigger,
It's your money or your live!" but she didn't lift a finger,
The cassier said "Sonny, stop messing around!"
I said O.K., sorry! I-I-I-I'd like to open an account.
