Are you still in there  
Maybe love, does it even make a change  
Why this  
Mom and dad you're too far away this time  
When it all starts noone can save me  
It's my own complication, I need to make this right  
Are you still there or are you leaving

Hello, still hanging on  
Hello, still going strong  
And I fear the day when I've got to face this

Sleep and say, it's just a bad day  
Cause that's all I wanna hear  
Can't take this  
Take this  
I hope I will see it more clear  
See it more clear

Hello, still hanging on  
Hello, still going strong  
And I fear the day when I've got to face this

Loose it all  
Fallen star  
I'm still hanging on  
Fake a fall  
Take it all  
I'm barely here
